

BAI - Webinar

Topic:

Solvency II Update for Private Markets
& Tripartite Template 8.0 (TPT)

Date:

November 04, 2026
11:00 a.m. – 12:00 noon (CET)

Solvency II Review 2020 will lead to some changes of the Solvency II framework starting in January 2027. Long-term equity provisions, adjustments of the interest rate risk module, and reduction of spread risk charges for securitisations amongst other amendments will be relevant for EU insurance LPs investing in private markets in collaboration with GPs.

The webinar will discuss key changes in the regulatory framework for alternative investments as well as implications for the new version of the Tripartite Template 8.0 (TPT).
