BAI expands management team by addition of Annette Olschinka-Rettig as new Managing Director

Bonn, September 9, 2019. The board of **Bundesverband Alternative Investments e.V.** (BAI), the central lobby of the alternative investments industry in Germany, is pleased to announce the appointment of another managing director: effective September 1, 2019, Mrs. Olschinka-Rettig has taken over the position of the managing director and is thus leading the association together with Frank Dornseifer.

“We have gained a financial and investment expert with many years of experience in Mrs. Olschinka-Rettig. We trust that she will continue BAI's successful course with its currently around 220 members and further expand the association's activities. We are very much looking forward to the cooperation and wish Mrs. Olschinka-Rettig much success for her new task”, commented Achim Pütz, Chairman and Bastian Schmedding, Deputy Chairman of the board of BAI.

Mrs. Olschinka-Rettig has extensive international expertise in investment and financing areas, in particular in the asset class infrastructure and in project financing. Prior to her transfer, she held various positions at Deutsche Bank AG, the University of Jena and most recently at BASF SE since 2001, including Mergers & Acquisitions and Head of Asset Management.

“As managing director of BAI I want to use my active commitment to strengthen the exchange of information with the public on alternative investments and be an important partner for our association members and investors,” she explains.

The Bundesverband Alternative Investments e. V. (BAI) is the central interest representation of the alternative Investments industry in Germany. The federation understands itself as catalyst between professional German investors and recognized providers of Alternative Investments products world-wide. It is committed to ensuring that German institutional and professional investors are able to diversify their capital investments more easily and effectively with regard to Alternative Investments, in particular with a view to securing German old-age provision in the long term. The BAI promotes public awareness and understanding of Alternative Investments and is committed to scientific research. It maintains an intense dialogue with political decision-makers and the responsible supervisory authorities as well as cultivating exchanges with national and international organisations and associations. The association pursues the goal of achieving legal reforms and further legal education in the interests of its members and their investors, and of creating attractive and internationally competitive framework conditions for investing in Alternative Investments. The number of BAI members recruited from all areas of the professional alternative investment business has grown to over 217 companies.
